4 Inch High Performance Remodel LED Recessed Downlight Series

Order Matrix | Example: BL4-002-B-A-L12-30K-WH

A B C D E F G

Item No.:BL4-002-B

Description

4 inch Remodel LED recessed fixtures with round apertures offer energy-efficient, precision lighting for accent, task, or wall wash applications.

The innovative design allows the LED to be positioned closer to the aperture for maximum light output and efficiency or higher to minimize glare and flash on the trim.

Features

Separable rotating reflector design makes it easy for replacement.

High grade diffuser provides uniform light

driver can achieve high power factor and conversion efficiency, constant current output.

Achieve 3 functions through changing screw setting places and replacing matched reflectors.

A Series

BL4-002-B 4" Recessed Downlight
