Description

An architecturally pleasing, easy to install and low profile slim LED instant mount round and square aperture downlighting.

Slim line, light weight and sleek look, provides more uniform light and an instant on.

It is a low profile downlight intended for ceiling or wall mount applications.

This luminaire offers the appearance of a recessed downlight but is actually surface mounted.

Applications

Slim LED Flush Mount Downlight is characterized by a completely flat lens with a narrow flange, giving it an architecturally pleasing look.

This downlighting solution offers an affordable alternative to Air-Seal IC recessed housings or Fire-Rated boxes, reducing material and installation costs.
