# LA-LED STAR LIGHTING

## DG5216
## LED FLOOD LIGHT

ETL c us

LIMITED 5 YR WARRANTY

## DESCRIPTION

– The circular is used as the main design, and the lamps as a whole exhibit mechanical elements, so as to achieve a sleek, exquisite and flexible purpose.

– 4mm tempered clear glass, light transmittance up to 95%, reduce the light loss.

– The lamp is composed of a lamp body, a front end cover and a rear end cover, both of which are installed with a screw structure, and at the same time, the installation screws are hidden, and the appearance is beautiful.

– Reasonable heat dissipation design, high density precision die casting aluminum lamp body, ensure the life of lamp.

– Adopt brand LED light source.

– Outdoor professional static outdoor plastic powder sprayed on surface, anti-UV, anti-corrosion and weather resistance is strong.

– Lighting structure, electrical safety compliance with EN60598 GB7000 standard requirements.

– Electric shock protection: Class I

– IP rating: IP66

L=Φ250mm    H=164.5mm

UNIQUE MANUAL SWITCH DIMMING, COLOR TEMPERATURE CONTROL FUNCTION:
3CCT (3000K/4500K/6000K)

INTELLIGENT LIGHT CONTROL INDUCTION FUNCTION:
THROUGH THE LIGHT SENSOR INTELLIGENT SWITCH LAMP, NO NEED MANUAL SWITCH.

## APPLICATION:

Suitable for factories, gymnasiums, wharfs, billboards, buildings, lawn, gardening design and other lighting and decorative lighting places.

## ORDERING GUIDE

| Model | Input Voltage | Light Source | Power | Luminous Efficiency | Optional light | Luminous Flux |
|-------|---------------|--------------|--------|---------------------|----------------|---------------|
| DG5216 | AC100-240V | 30 PCS | 60W | >100lm/W | 15/20/30/45/60/90/120 | 15000lm |
| DG5216A | AC100-240V | 30 PCS | 60W-RGB | >100lm/W | 15/20/30/45/60/90/120 | 20000lm |

## OTHER PARAMETERS

| | |
|---|---|
| Applicable Ambient Temperature | - 30 --50℃ |
| Total Harmonic Distortion | ＜15% |
| Working Temperature | RH10%-90% |
| CRI | Ra>75-95 optional |
| CCT | 3000K    4500K    6000K |
| IP Rating | IP 66 |
| Life Span | >20000h/>30000h/>50000h are optional |
| Power Factor | ＞0.95 |
| Frequency Range | 50-60Hz |
| Electric-shock safeguard | CIASS I |
| Mounting | Seat Mounting / Wall Mounting |
